

Your (so called) 'Music'

The text of this piece is an actual letter I received in response to a concert of my music that I presented in Seattle in 2006. It was premiered at the Douglass Street Music Collective in November 2009 with Lee Todd Lacks, narrator and my ensemble String Power.

In our version the bold face text was spoken by the ensemble.

The roman numerals (I-V) refer to Violin 1, Violin 2, Viola, Cello and Bass. The piece can be freely interpreted and played on any instruments.
